WESSEX

marketed by **VICTORIA + ALBERT**
www.vandabaths.com

Defined by an exquisite Edwardian style, the freestanding WESSEX tub features classic lines and slimmed down dimensions. It also comes equipped with ball and claw feet. Bringing forth a combination of timeless elegance and superior comfort, the bath is a blend of modern art and ergonomics. The Wessex tub is available in a variety of finishes.

SEASIDE

marketed by **TEUCO GUZZINI S. P. A.**
www.teuco.com

The SEASIDE bathtub features generous proportioned surfaces and conceals a host of features such as the water blade outlet and concealed taps. The functions provide users versatility and bring them comfort. Seaside also features Hydroline, an invisible whirlpool that replaces the classic nozzles with thin minimalist slits.

OVUM

marketed by **FRANCHI UMBERTO MARMI**
www.franchigroup.it

Designed by Michele Cazzani, the OVUM outdoor bathtub features organic shapes and captivating geometric shapes. Durable and elegant Calacatta marble was used for the bath's body, to ensure users enjoy a smooth and dynamic bathing experience.
